**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

The Notice of Allowability mailed on 10/20/05 contains an Examiner's Statement of Reasons for Allowance. The Statement appears to attempt to characterize the subject matter of independent claims 1 and 16. The Applicant submits that the application also has independent claims 33, 35, 38, and 46 whose subject matter the Statement does not appear to characterize. To that extent, the Applicant objects to the Statement.

In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicant rejects any narrowing or limitations that might possibly result from such differences.

Respectfully submitted,
